Dear Friends. As we conclude 2017 in our committee today, a new one begins. Please find the Tithe report for Jan 18. it is early in the new accounting period, but the low figures are also a reflection of the five week month of Jan 17 compared to four weeks for Jan 18. In saying that the SEC already looks well placed to record a material increase from last years 0.3% increase. Thank you for your continued support as we begin a new year's journey together. Blessings. Earl
