Delegates numbers are calculated on a "proportional" basis of the congregation membership to the total Mission membership. This means organised Churches receive one delegate plus a proportional number and Companies receive just the proportional number.

Please remember that for organised Churches, delegates must hold their membership in the local church to be eligible to be a delegate for that church. For organised Companies and Groups, a person's membership should be held in the Irish Mission Church.

The Irish Mission Executive Committee will appoint the Irish Mission Church delegates and its Recommendations Committee representatives. Companies and Groups come under the Irish Mission Church.

Members of the Irish Mission Executive Committee, Pastors, Mission employees and current Mission Sponsors are delegates at large and do not have to be elected as local church delegates. Churches are asked to please return a list of delegates (full names, email, phone number), as well as indicate which delegate(s) will sit on the Recommendations Committee, to Pr. Jacques Venter **no later than 31 May 2021.**
