

Dear

When normal life changes, sometimes we become scared of what's going on around us. It is okay to be scared, but when you are scared, I want you to tell Me about it.

I promise to watch over you and care for you, just as I watched over and cared for King Hezekiah of Judah, who faced a dangerous and intimidating enemy.

King Hezekiah's dad was called King Ahaz, and he was King before Hezekiah. King Ahaz was an evil King because he turned the people of Judah away from Me. But Hezekiah was a good King because he turned the people back to love Me. But King Hezekiah's enemies were not happy about this and they wanted to kill Hezekiah.

Hezekiah was scared what might happen in the future to him and his people, but I told him not to worry. I promised him, and I promise you, that I will go before you and be with you wherever you go. I will never leave you or forsake you.

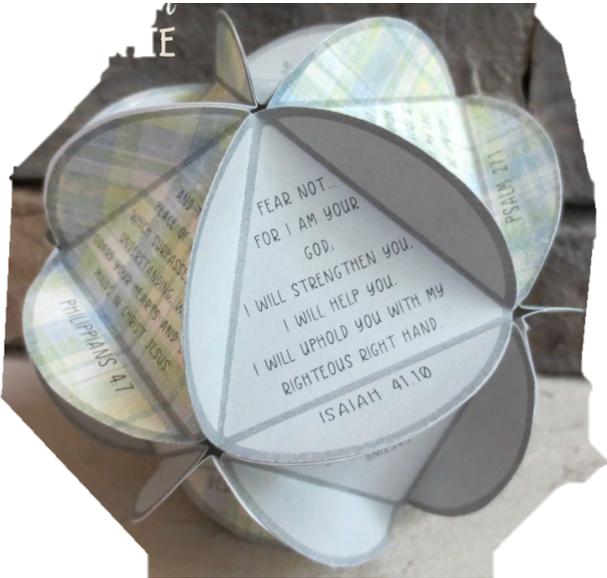

Love Forever,

God

P.S.

I suggest you make a "Fear Not" paper globe craft with the assistance of an older relative. You can roll the God's promise ball and pray using the verses.

This is an initiative of the Ranelagh Children's Ministries Dept. You can read more about the life of King Hezekiah in 2 Kings 18-28.

Instructions*

- Cut out each circle.
- Fold the circles into triangles by folding the sides in over the printed lines.
- Glue 10 of the triangles into a straight line, alternating right side up and upside down triangles.
- Glue five of the triangles into a circle, all top points of the triangles coming into the centre. Glue the remaining five triangles into a second circle.
- Glue the ends of the line of ten together to make a "ring".
- Glue one "circle" to the "ring", matching the five flaps.
- Glue the second "circle" to the other side of the ring, completing the globe.
