

Dear

*You may wander off the path that I have directed for you. I am ready to redirect you along the right path in life, so that your life will bring honour to My name.*

*You are My representative on earth and I want you to honour my name and character in everything you do. Other people notice everything you do so if you act as I would act, then you give My name glory and honour.*

*Long ago, I led Saul on the path to righteousness. At first, He did really bad things to Christians because he thought they were teaching things against what he understood the Bible to teach. Because he was very mean to them, hundreds of Christians ran away from Jerusalem to Damascus. When Saul heard this, he was determined to track them down and so he set off with troops to drag them back in chains.*

*He thought he was pleasing Me by trying to kill Christians, but he didn't know the truth about Me. As he was travelling along the road to Damascus, something incredible happened. I appeared to him in a spectacular way and he was blinded for a while but I showed him that what he was doing was wrong. After that, Saul changed his ways, was baptized and began his new life, as My chosen apostle.*

*I promise to lead you and guide you every day. I am the way, the truth, and the life. No one can come to the Father except through Me (John 14:6).*

Love Forever

God

P.S.

Maybe before you go to bed you can read Psalms 25: 4-5.

For Arts & Crafts, I would like you to make and colour your own "Saul conversion glasses". Here are the instructions:

1. Colour and cut out the glasses and handles (Stick them to card paper/cereal box so that the pieces are sturdy).
2. Fold along the dotted lines and tape or glue the handles to the glasses.
