

Dear

Have no doubt about your future. Your destination when life on earth is done, is to be with Me forever. In my house there are many rooms if it was not true I would tell you. I have prepared a place for you and because I prepared this place for you, I will come and get you and we can be together forever (John 14: 2-3). In my house there is no sadness, no pain, no brokenness to distract you, only joy and laughter.

I promised you eternal life when My Son, Jesus, died on the cross and I never break My promises. So, you are destined to live forever in my house, not as a stranger or a guest but as my child.

The Good News is that everyone who loves Me and accept my guidance and follow my teachings, will live forever in heaven—your parents, your family members, and your friends.

I will never get tired of spending time with you.

Love Forever

God

P.S.

This will be my last letter to you but that does not mean I will stop communicating with you. Remember, I am with you everywhere at all times and as part of My family you have a direct line of communication with Me through prayer and My Word—the bible. I encourage you to continue seeking after Me.

For Arts and Craft maybe you can draw and colour a picture of what you think your room in my house would look like.
