

Dear

*A shepherd usually seeks and finds green pastures, so that the sheep in his keeping can safely rest and eat. As your Shepherd, I will do the same and find such a place for you. Finding such a place would require much thoughtfulness and care on the part of the shepherd.*

*Under my watchful eyes, I will sustain you every step of the way, making sure you are contented and have peace of mind. Even at times when things are not going so well and it appears as if there is not enough to go round, trust that because I am your Shepherd that there will be enough.*

*My mercies are new every morning (Lamentations 3:22). It is sufficient for your daily needs just as it was for the Israelites, when I provided them with manna in the desert. Manna was a miraculous food that fell from the sky once a day. It had to be gathered only in amounts enough for that day. Gathering too much would spoil. For forty years, the Israelites had to trust that My provisions would be what they need. Not too much, but just enough.*

P.S.

*If you want to write a letter back to me, thanking me for always sustaining you, pen it down in your prayer journal. Don't forget to read it to Me before you go to bed.*

*For Arts & Crafts, I would like you to make a basket and fill it with popcorn to represent the manna which the Israelites collected in the desert. As you eat the popcorn be reminded that I will sustain you always.*

*Attached are pictures of 4 simple, easy to make basket you can choose from.*
